Notes:

- (1) With effect on 2 September 2015, Bentley's investment in Strike Resources Limited (ASX: SRK) is regarded as an Associated Entity (over which Bentley is considered to have significant influence) and is accounted for under the equity method in the consolidated financial statements. Under the equity method, the carrying amount of an investment in an Associate entity is at initial cost plus a share of the Associate Entity's net profit or loss (after tax) for the financial year to the relevant balance date. Refer Note 21 (Investment in Associate Entity) on page 52 of Bentley's [2016 Full Year Report](#) for further information in this regard.

Bentley has accounted for its investment in SRK (52,553,493 shares being 36.16% of SRK's total issued share capital) at a carrying value of \$2.64 million (being \$0.052 per share) on this basis. Bentley notes SRK's closing bid price on ASX was \$0.046 as at 30 September 2016.

- (2) Units invested in the CBG Australian Equities Fund (Wholesale) (**CBG Fund**) are valued at the audited unit price published by the investment manager, [CBG Asset Management Limited](#), as at month end - the unit price reflects the net asset backing of the fund; there is no buy/sell spread price; there is no recognition of realisation costs as there are no exit fees charged on redemption of units.
- (3) The post-tax NTA Backing per share figure is reported net of provision for tax liabilities on realised and unrealised gains on investments, in accordance with the Company's income tax accounting policy (refer Note 5 (Income Tax) at page 39 of the Company's [2016 Full Year Report](#) released on ASX on 31 August 2016).
- (4) Bentley's current accounting policy is to recognise deferred tax assets arising from its carried forward tax losses and its unrealised loss on investments only to the extent of offsetting any deferred tax liabilities arising from its unrealised gains on investments.
- (5) Bentley's current accounting policy uses the first in-first out method of calculating gains or losses on sales of share investments.
