NOTES:

(1) Bentley has accounted for its investment in SRK (53,739,857 shares being 18.94% of SRK's total issued share capital) (30 September 2026: 53,739,857 shares; 18.94%) at a carrying value of $1.02 million (based on the last closing bid price on ASX 1.9 cents per share on 31 October 2026 at month end (30 September 2026: $1.02 million; 1.8 cents).

(2) The post-tax NTA Backing per share figure is reported net of provision for tax liabilities on realised and unrealised gains on investments, in accordance with the Company's income tax accounting policy. Refer Note 5 (Tax) on page 29 of Bentley's 30 June 2026 Annual Report for further information in this regard.

(3) Bentley's current accounting policy is to recognise deferred tax assets arising from its carried forward tax losses and its unrealised loss on investments only to the extent of offsetting any deferred tax liabilities arising from its unrealised gains on investments.

(4) Bentley's current accounting policy uses the first in-first out method of calculating gains or losses on sales of share investments.
